05.11.2022

# Purpose and Goals

To bring together a ***diverse group of patients, cancer survivors, patient advocates*** and ***caregivers to better understand issues of importance to patients*** and give Flatiron input on its goals, processes, and priorities.

Perspectives on  
Privacy & Research

Advocacy &  
Policy

## Empower the Patient Voice

Ensure the interests  
and priorities of  
***patients are considered in  
Flatiron's research strategy.***

Direct Patient  
Engagement

Communicate &  
Educate

# US Patient Advisory Board (PAB)

---

## Who is in the PAB?

- A diverse group of 10 members who are **leaders, cancer survivors, and advocates** representing 7 different patient advocacy organizations

## How has the PAB been involved?

- Collecting **patient insights** on RWE
- Gathering intuition on best **communications around patient impact**

## Future?

- Exploring more ways to build **research collaborations** with patient advocacy organizations

# Who is in the UK Patient Voices Panel (PVP)?

---

Helen

Bob

Della
